Why A.PLUS Everything DiSC[®] Certification

- ✧ **Advanced and practical tool** : DiSC[®] assessment is based on the behavioral theory stated in William Moulton Marston's book called "Emotions of Normal People" which was written in 1928, and helps individuals, teams and organizations make the transition by helping people develop deeper understanding of themselves and interrelationships. Wiley is one of the largest global academic publishers established in 1807 with more than 5000 employees worldwide. Wiley is the first to commercialize DiSC products and constantly improves. Everything DiSC[®], the new generation of DiSC[®], uses the advance technology of Adaptive Testing, and has high reliability and validity. Its profiles provide more practical and personalized information, and could assist the transition from assessment to action.

- ✧ **Exclusive value-added services** : Everything DiSC[®] experiential activity guidebook, presentation PPT that could be used in training, A.PLUS exclusive value-added service USB, Wiley and A.PLUS membership, 10% off for purchase of any profiles and facilitation kit (valid for 1 week after the facilitation program) and 20% off for joining Everything DiSC[®] public courses.
